Re: Lewis E. Byrd III v. Brandon Arenz
Case No. 17-CV-191-JDP
Our File 27186

Dear Judge Peterson and Mr. Oppeneer,

As you recall, this civil lawsuit has been brought by *pro se* Plaintiff Lewis E. Byrd, III against my client Brandon Arenz. I write in regard to Plaintiff's pending Motion for Discovery, dated February 5, 2018, (received by my office on February 12, 2018), and Plaintiff's second Motion for Medical Records, dated February 14, 2018. I simply wanted to inform the Court that I am treating these two motions as formal requests for the production of documents under the Federal Rules of Civil Procedure, and my client is responding directly to Plaintiff Byrd accordingly, with its document responses being produced and served today, via separate correspondence to Plaintiff Byrd.

Therefore, I do not intend on filing any response to the Court in regard to these two requests for documents, styled incorrectly as "motions" for discovery.

Thank you for your time and attention to this matter.

Respectfully yours,

Lind, Jensen, Sullivan & Peterson
